CONGRATULATIONS ABOVE & BEYOND AWARD WINNER... **james dalton, lpc.**

2011 4th Quarter Winner

James Dalton, LPC joined Families, Inc. in 2008 as a part time File Clerk. Since then he has proven to be a valuable asset for Families, Inc. as an MHP and beginning in October 2011 as the Quality Assurance Officer. James has hit the ground running in his new position and has provided valuable feedback from the perspective of direct care staff. James has developed an audit process that provides Clinical Supervisors with concrete action items to discuss with their clinicians during performance evaluations. Additionally, he has revised our internship documentation and taken ownership of the CEU Trainings that we provide to our staff and local communities. These efforts combined with many other contributions and creative ideas have earned James the Above & Beyond Award for the 4th Quarter of 2011.

THANK YOU JAMES!
